

# **MeQHA TRAIL CHALLENGES 2018**

## **NEW YEAR END AWARD PROGRAM**

MeQHA awards points towards a new year-end award program as follows:

1st 15pts, 2nd 14pts, 3rd 13pts continues all the way through 10th place for 5pts.

Riders and horse owners must be members of MeQHA no later than the first date that they compete.

Riders may also compete at non-MeQHA trail rides and send in their results. Points for these will be based on a 10 point system (wanting to reward members to attend our actual events)

1st- 10pts, 2nd 9pts, 3rd 8 pts continues all the way through 10th place for 1pt.

Riders will be responsible for sending in the results from the non-meqha trail challenges to rec-riding recording secretary Sherrye Johnson Trafton. The reporting form is below. The rider will need to have the event secretary sign the form verifying the results.

We will convert any trail challenge result that does not carry our specific divisions into the closest division for year-end award purposes. The decision of the recording secretary will be final.

Any questions on this new program, please contact Ricky Drew or Sherrye Trafton.
