

MeQHA October 2011 Trail Ride

Hosted by Donna Tripp

Saturday we had 11 riders and a pony cart. Was great weather both days. Saturday evening everyone made their own pizzas and they were baked in a brick oven. Sunday 13 riders, two walkers and a cart in the morning after lunch at the camp we had three carts including myself and my horse Josh. A big thank you to the landowners Dusty and Patti Dowse for allowing parking in their field. Also thank you Dusty Dowse for making the delicious pizza dough both (white and whole wheat) the great sauce and cooking the pizzas.
